The Ranch House Café

Serving a full menu seven days a week, The Ranch House Café offers homemade fare in a small-town, Western-style atmosphere. Patrons can order filling meals all day long, whether they're craving chicken-fried steak and eggs, a soothing bowl of soup or one of the eatery's divine, from-scratch pies.

Duck in early to get a slice of one of the pies before just crumbs remain. Good luck choosing between the tart, Dutch cherry apple, the indulgent, coconut cream and the classic, crunchy pecan pie.
